

Requirements

Your application for a Dual Major will be considered only when ALL of the following requirements have been met:

- At least two semesters have been completed at UC Berkeley.
- You are in good academic standing (not on academic probation).
- Your overall GPA is a minimum of 3.0
- You have made satisfactory academic progress during your semesters of enrollment at UC Berkeley.
- Your planned program includes all course and unit requirements for graduation.
- Your planned program shows a realistic trajectory for completing all degree requirements within the time allotted by the College.
- No more than three upper division technical courses can overlap between the two majors.
- If a ninth semester (fifth semester for transfer students) is necessary to complete your dual major program, the request must be made at the time of application. If you believe a ninth semester is required, you have indicated that by listing what you would enroll in during that additional semester on your planned program.
- Your application must be submitted a minimum of two semesters prior to your anticipated date of graduation.

Instructions

1. Print and complete the following pages:

- Petition for a Dual Major
- The Program Planning Form
- Dual Major Course Requirement Form
- The [Degree Worksheets](#) for your intended Engineering Majors

2. Print out a copy of your Bearfacts Unofficial Transcript.

3. Schedule an appointment with your Engineering Student Services adviser in 230 Bechtel Hall to review and submit your application (all the above materials). Note: Additional materials, including a personal statement explaining your motivation and preparation for pursuing your intended majors may be required. Your Engineering Student Services adviser will inform you during the appointment if any additional materials are needed to complete your application.

DUAL MAJOR APPLICATION

Engineering Student Services • College of Engineering • 230 Bechtel Hall
